BOTTOM LINE

Tables are held for a maximum of 120 minutes from the time of your reservation.

E.g. if you are booked for 2pm, we will need the table back at 4pm. Late arrivals forfeit their time!

Strictly one drink per person at a time. We can start your table with a jug or bottle (2 person min).

We want you to have fun and we'll keep the drinks flowing, however please note we are bound by Responsible Service of Alcohol laws.

Feel free to grab us 15 minutes before the end of your sitting if you'd like a final top up.

We typically bring the bill to your table to finalise 15-30 minutes before the end of your sitting, to avoid wild queues out of the venue when your sitting ends.

Any questions? Please ask your friendly server!
